

Iowa Pharmacy Law and Information Manual Update – June 2010

Activity Description:

This knowledge-based continuing pharmacy education activity will educate pharmacists and pharmacy technicians on the latest updates to the Iowa Pharmacy Law and Information Manual.

Learning Objectives:

Upon successful completion of this activity, *pharmacists* should be able to:

1. List continuing education requirements for pharmacist licensure
2. Explain the timeline and deadlines of technician certification, including those who qualify for the extension criteria
3. Identify the differences between the functions a certified technician can perform and those that a Pharmacy Support Person (PSP) may carry out
4. Determine the possible storage locations of prescriptions > 12 months old
5. List new responsibilities added to “technical functions”
6. Recognize the new drugs covered under Medicaid

Upon successful completion of this activity, *pharmacy technicians* should be able to:

1. Explain the timeline and deadlines of technician certification, including those who qualify for the extension criteria
2. Identify the differences between the functions a certified technician can perform and those that a Pharmacy Support Person (PSP) may carry out
3. Determine the possible storage locations of prescriptions > 12 months old
4. List new responsibilities added to “technical functions”
5. Recognize the new drugs covered under Medicaid

Target Audience:

Pharmacists and pharmacy technicians

Faculty:

Kate Gainer, PharmD
Vice President, Professional Affairs
Iowa Pharmacy Association

Faculty Disclosure:

Kate Gainer reports she has no conflict of interest associated with this activity.

CPE Credit:

To obtain 0.75 contact hour of continuing education credit (0.075 CEU), please complete the exam and evaluation located in your online portfolio. A CE Statement of Credit will be automatically generated upon achieving a passing grade of 70% on the 5-question exam and completion of the activity evaluation. (CEI provides you with two (2) opportunities to complete the exam.) You may print this CE Statement of Credit; it will also be stored in your online CEI portfolio for you to retrieve a copy at any time.

Activity release date: June 25, 2010

Activity expiration date: June 25, 2011

The Collaborative Education Institute is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education. This is a knowledge-based CPE activity.

Universal Activity Number (UAN) #0107-0000-10-070-H03-P and 0107-0000-10-070-H03-T
0.075 CEUs/0.75 Hrs.

Activity Format and Technology Requirements:

This activity includes viewing the PowerPoint presentation while listening to the audio provided. You may print the handouts associated with this activity prior to viewing. To ensure the highest quality delivery of this activity, a reliable high-speed internet connection is required. You may experience problems with some wireless connections where signal strength is variable or low. When using a Mac, select Adobe Reader® as the format, and it will be accessible to open and print.

Financial Support:

There was no financial support provided for this activity.
