

Novel H1N1: What Pharmacists Need to Know

Activity Description:

This knowledge-based continuing pharmacy education activity will provide pharmacists and pharmacy technicians with the most current information and recommendations regarding novel H1N1 influenza

Learning Objectives:

Upon successful completion of this activity, *pharmacists* should be able to:

1. Discuss the epidemiology of novel H1N1 influenza in the United States
2. Describe the most current CDC recommendations regarding use of the H1N1 vaccine
3. Educate vaccine recipients and non-recipients on H1N1 vaccine coverage, safety, effectiveness and public health strategy for vaccination
4. Discuss with patients the importance of receiving seasonal influenza vaccine
5. Differentiate among options for influenza prophylaxis and treatment, and refer patients appropriately

Upon successful completion of this activity, *pharmacy technicians* should be able to:

1. Discuss the epidemiology of novel H1N1 influenza in the United States
2. Describe the most current CDC recommendations regarding use of the H1N1 vaccine
3. Recognize key points regarding H1N1 vaccine coverage, safety, effectiveness and public health strategy for vaccination
4. Distinguish between H1N1 vaccination and seasonal influenza vaccine
5. Identify options for influenza prophylaxis and treatment

Target Audience:

Pharmacists and pharmacy technicians

Faculty:

Mary S. Hayney, PharmD, MPH, BCPS
Associate Professor of Pharmacy
University of Wisconsin School of Pharmacy

Faculty Disclosure:

Dr. Hayney reports she is on the speakers' bureau for Merck Vaccines.

CPE Credit:

To obtain 1 contact hour of continuing education credit (0.1 CEU), please complete the exam and evaluation located in your online portfolio. A CE Statement of Credit will be automatically generated upon achieving a passing grade of 70% on the 10-question exam and completion of

the activity evaluation. (CEI provides you with two (2) opportunities to complete the exam.) You may print this CE Statement of Credit; it will also be stored in your online CEI portfolio for you to retrieve a copy at any time.

Activity release date: September 25, 2009

Activity expiration date: September 25, 2012

The Collaborative Education Institute is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education. This is a knowledge-based CPE activity.

Universal Activity Number (UAN) #107-000-09-098-H01-P and 107-000-09-098-H01-T
0.1 CEUs/1.0 Hrs.

Activity Format and Technology Requirements:

This activity includes viewing the PowerPoint presentation while listening to the audio provided. You may print the handouts associated with this activity prior to viewing. To ensure the highest quality delivery of this activity, a reliable high-speed internet connection is required. You may experience problems with some wireless connections where signal strength is variable or low.

Financial Support:

There was no financial support provided for this activity

Activity Fee:

An activity fee of \$30.00 will be assessed for participation.
