

CPD 101

Activity Description:

This knowledge-based continuing pharmacy education activity will educate pharmacists on the components of a Continuing Professional Development (CPD) approach for continuing education and lifelong learning.

Learning Objectives:

Upon successful completion of this activity, *pharmacists* should be able to:

1. Define Continuing Professional Development (CPD)
2. Describe the need to improve how pharmacists approach their continuing education and lifelong learning
3. List and describe the components of CPD
4. Apply knowledge to a personal CPD example
5. Compare and contrast the traditional CE model with a CPD model

Target Audience:

Pharmacists

Faculty:

Jennifer R. Moulton, RPh
COO, The Collaborative Education Institute (CEI)
Iowa Pharmacy Association

Michael J. Rouse, BPharm(Hons) MPS
Assistant Executive Director, International & Professional Affairs, Accreditation Council for Pharmacy Education

Faculty Disclosure:

Moulton and Rouse report they have no actual or potential conflicts of interest associated with this presentation.

CPE Credit:

To obtain 2 contact hours of continuing education credit (0.2 CEU), please complete the exam and evaluation located in your online portfolio. A CE Statement of Credit will be automatically generated upon achieving a passing grade of 70% on the 10-question exam and completion of the activity evaluation. (CEI provides you with two (2) opportunities to complete the exam.) You may print this CE Statement of Credit; it will also be stored in your online CEI portfolio for you to retrieve a copy at any time.

Activity release date: March 12, 2010

Activity expiration date: March 12, 2013

The Collaborative Education Institute is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education. This is a knowledge-based CPE activity.

Universal Activity Number (UAN) #107-000-10-052-H04-P
0.2 CEUs/2.0 Hrs.

Activity Format and Technology Requirements:

This activity includes viewing the PowerPoint presentation while listening to the audio provided. You may print the handouts associated with this activity prior to viewing. To ensure the highest quality delivery of this activity, a reliable high-speed internet connection is required. You may experience problems with some wireless connections where signal strength is variable or low. When using a Mac, select Adobe Reader® as the format, and it will be accessible to open and print.

Financial Support:

This activity was supported by an educational grant from Pfizer.

Activity Fee:

An activity fee of \$10.00 will be assessed for participation.

If you would like to participate in this continuing pharmacy education activity, please close this window and proceed to REGISTER.
