

Compliance Training: OSHA Bloodborne Pathogens Standard

Activity Description:

This knowledge-based continuing pharmacy education activity will educate pharmacists and pharmacy technicians on the Occupational Safety and Health Administration's (OSHA) Bloodborne Pathogens Standard, assisting pharmacists in maintaining compliance with this standard.

Learning Objectives:

Upon successful completion of this activity, *pharmacists and pharmacy technicians* should be able to:

1. Identify potential bloodborne pathogens and their modes of transmission
2. Discuss signs and symptoms of bloodborne pathogen exposure
3. List the Bloodborne Pathogens Standard compliance requirements for pharmacists
4. Describe work place practices that can minimize exposure risks
5. Define the vaccination requirements for health care workers
6. Outline the appropriate elements of an Exposure Control Plan
7. Compare and contrast Universal Precautions and Body Substance Isolation

Target Audience:

Pharmacists and pharmacy technicians

Faculty:

R.W. Smith, Certified Safety Professional
Safety Manager

Carrie Koenigsfeld, PharmD
Associate Professor, Drake University College of Pharmacy

Faculty Disclosure:

R.W. Smith and Carrie Koenigsfeld report they have no conflicts of interest associated with this activity.

CPE Credit:

To obtain 1.5 contact hour of continuing education credit (0.15 CEU), please complete the exam and evaluation located in your online portfolio. A CE Statement of Credit will be automatically generated upon achieving a passing grade of 70% on the 10-question exam and completion of the activity evaluation. (CEI provides you with two (2) opportunities to complete the exam.) You may print this CE Statement of Credit; it will also be stored in your online CEI portfolio for you to retrieve a copy at any time.

Activity release date: March 25, 2010

Activity expiration date: March 24, 2013

The Collaborative Education Institute is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education. This is a knowledge-based CPE activity.

Universal Activity Number (UAN) #0107-0000-10-039-H03-P and 0107-0000-10-039-H03-T
0.15 CEUs/1.5 Hrs.

Activity Format and Technology Requirements:

This activity includes viewing the PowerPoint presentation while listening to the audio provided. You may print the handouts associated with this activity prior to viewing. This is highly encouraged as there are cases that will be discussed included in the handouts. To ensure the highest quality delivery of this activity, a reliable high-speed internet connection is required. You may experience problems with some wireless connections where signal strength is variable or low. When using a Mac, select Adobe Reader® as the format, and it will be accessible to open and print.

Financial Support:

There was no financial support provided for this activity.

Activity Fee:

An activity fee of \$10.00 will be assessed for participation.

If you would like to participate in this continuing pharmacy education activity, please close this window and proceed to REGISTER.
