

Effective Precepting: Integrating Adult Learning Strategies into Introductory Pharmacy Practice Experience

Activity Description:

This application-based continuing pharmacy education activity will discuss how pharmacist preceptors can effectively teach introductory pharmacy practice students based on their learning styles.

Learning Objectives:

Upon successful completion of this activity, *pharmacist preceptors* should be able to:

1. Differentiate early and advanced pharmacy practice experiences.
2. Identify preceptor goals related to determining student pharmacists' learning styles.
3. Distinguish different theories about how students learn.
4. Identify precepting strategies to use for students depending on their learning style.

Target Audience:

Pharmacist preceptors

Faculty:

Teresa O'Sullivan, PharmD, BCPS
Jennifer Danielson, PharmD, MBA, CDE
University of Washington School of Pharmacy
Northwest Pharmacy Experiential Consortium

Faculty Disclosure:

Teresa O'Sullivan reports she has no actual or potential conflicts of interest in relation to this program.
Jennifer Danielson reports she has no actual or potential conflicts of interest in relation to this program.

CPE Credit:

To obtain 1 contact hour of continuing education credit (0.1 CEU), please complete the exam and evaluation located in your online portfolio. A CE Statement of Credit will be automatically generated upon achieving a passing grade of 70% on the 10-question exam and completion of the activity evaluation. (CEI provides you with two (2) opportunities to complete the exam.) You may print this CE Statement of Credit; it will also be stored in your online CEI portfolio for you to retrieve a copy at any time.

Activity release date: December 23, 2009
Activity expiration date: December 23, 2010
