

Mirror Mirror on the Wall: Using Reflection to Enhance Student Learning Activities at Your Practice Site

Activity Description:

This application-based continuing pharmacy education activity will demonstrate the impact use of reflective learning techniques can have on both student and personal learning. Pharmacists will have the opportunity to engage in reflective learning techniques as part of the exercises incorporated into this activity. In addition, pharmacists will learn how to identify opportunities for reflection while precepting students during their pharmacy practice experiences.

Learning Objectives:

Upon successful completion of this activity, *pharmacists* should be able to:

1. Explain the role of reflective learning techniques in pharmacy education and continuing professional development (CPD)
2. Compare and contrast action, verbal, and written reflection
3. Cite examples of reflective learning activities designed to engage students in the daily activities at your practice site
4. Identify ways to integrate reflective learning techniques into your advanced and/or introductory pharmacy practice experience (IPPE and/or APPE)

Target Audience:

Pharmacists

Faculty:

Nora Stelter, PharmD
Assistant Professor of Clinical Sciences
Coordinator, Introductory Pharmacy Practice Experiences
Drake University College of Pharmacy and Health Sciences

Susan H. Staggs, PharmD., BCPS
Assistant Professor (Clinical)
University of Iowa
College of Pharmacy

Faculty Disclosure:

Stelter and Staggs report they have no actual or potential conflicts of interest associated with this activity. The speakers have indicated that off-label use of medications will not be discussed during this presentation.

CPE Credit:

To obtain 1 contact hour of continuing education credit (0.1 CEU), please complete the exam and evaluation located in your online portfolio. A CE Statement of Credit will be automatically generated upon achieving a passing grade of 70% on the 10-question exam and completion of the activity evaluation. (CEI provides you with two (2) opportunities to complete the exam.) You may print this CE Statement of Credit; it will also be stored in your online CEI portfolio for you to retrieve a copy at any time.

Activity release date: 01/22/2010

Activity expiration date: 01/22/2013

The Collaborative Education Institute is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education. This is an application-based CPE activity.

Universal Activity Number (UAN) #0107-0000-10-005-H04-P
0.1 CEUs/1.0 Hrs.

Activity Format and Technology Requirements:

This activity includes viewing the PowerPoint presentation while listening to the audio provided. You may print the handouts associated with this activity prior to viewing. To ensure the highest quality delivery of this activity, a reliable high-speed internet connection is required. You may experience problems with some wireless connections where signal strength is variable or low. When using a Mac, select Adobe Reader® as the format, and it will be accessible to print.

Financial Support:

There was no financial support provided for this activity.

Activity Fee:

An activity fee of \$20.00 will be assessed for participation.
