

The Collaborative Education Institute presents:

# 2010 *immunization* UPDATE

*live webinar session:*

**August 31, 2010**

**7:30pm - 9:00pm**

## 2010 *immunization* UPDATE

Live Webinar ♦ Tuesday, August 31, 2010 ♦ 7:30pm - 9:00pm

### General Registration Information

#### Target Audience:

Pharmacists who administer immunizations or serve as immunization advocates in their community.

#### Live Activity Format:

This activity includes participating in the WebEx™ presentation through the internet and a long distance phone line. Upon registration, participants will receive a confirmation with log-in instructions, handouts, etc.

#### Technology Requirements:

To ensure the highest quality delivery of this activity, a reliable high-speed internet connection is required. You may experience problems with some wireless connections where signal strength is variable or low. When using a Mac, select Adobe Reader® as the format to open the handouts, and it will be accessible to open and print. In addition, a phone line is needed to access the faculty voice.

#### Registration Information:

(includes: presentation handouts and 0.15 CEUs)

#### Pharmacists:

**\$25** (on or before 8/27)

**\$40** (after 8/27)

Registrants are encouraged to register early due to registration is limited to the first 100 participants.

Cancellations received on or before 8/30/10 are subject to a \$10 administrative fee; there will be no refund after 8/30/10.

#### CPE Information:

The Collaborative Education Institute is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education. Following the live webinar, participants will need to complete the online activity evaluation. An online CPE Statement of Credit will automatically generate after the evaluation is completed.

**UAN 107-000-10-073-L01-P**

**0.15 CEUs/1.5 Hrs.**

**Knowledge-based activity**

## 2010 *immunization* UPDATE

Live Webinar ♦ Tuesday, August 31, 2010 ♦ 7:30pm - 9:00pm

### **Date & Time:**

**Live Webinar - hosted by CEI**

**Tuesday, August 31, 2010**

**7:30pm - 9:00pm**

### **Activity Description:**

Pharmacists who administer immunizations to their patients know that immunization guidelines change often. Keeping current with the latest information is imperative for pharmacists making recommendations to patients regarding their immunizations. Attend the 2010 Immunization Update webinar to prepare for the influenza season and learn about the latest recommendations regarding the HPV, pneumococcal conjugate, meningococcal conjugate and zoster vaccines.

**Learning Objectives:** *Upon successful completion of this activity, pharmacists should be able to:*

1. Use updated guidelines for seasonal influenza immunizations to recommend vaccinations.
2. Describe the universal influenza vaccine recommendations.
3. Explain the advantages and limitations of the high dose influenza vaccine for the elderly.
4. Differentiate between the two licensed human papillomavirus vaccines, including use in males.
5. List the recommendations for the 13 valent pneumococcal conjugate vaccine.
6. Evaluate the consequences of the interaction between the zoster and the 23 valent pneumococcal polysaccharide vaccines.
7. Differentiate between the two licensed meningococcal conjugate vaccines.

### **Faculty:**

Mary S. Hayney, PharmD, MPH, FCCP, BCPS  
Associate Professor of Pharmacy (CHS)  
University of Wisconsin School of Pharmacy
