

Iowa Pharmacy Law and Information Manual Update September 2009

Activity Description:

This knowledge-based continuing pharmacy education activity will educate pharmacists and pharmacy technicians on the latest updates in treating HIV with antiretroviral agents.

Learning Objectives:

Upon successful completion of this activity, *pharmacists* should be able to:

1. Identify changes made to the Iowa Pharmacy Law and Information Manual since April 2009
2. Determine if your pharmacy practice needs to make changes to be in compliance with the law and/or rule changes
3. Implement changes in the Iowa pharmacy laws and/or rules to your practice site

Upon successful completion of this activity, *pharmacy technicians* should be able to:

1. Identify changes made to the Iowa Pharmacy Law and Information Manual since April 2009
2. Determine if the pharmacy in which you work needs to make changes to be in compliance with the law and/or rule changes

Target Audience:

Pharmacists and pharmacy technicians

Faculty:

Kate Gainer, PharmD
Vice President, Professional Affairs
Iowa Pharmacy Association

Faculty Disclosure:

Kate Puetz reports she has no conflict of interest associated with this activity.

CPE Credit:

To obtain 0.5 contact hour of continuing education credit (0.05 CEU), please complete the exam and evaluation located in your online portfolio. A CE Statement of Credit will be automatically generated upon achieving a passing grade of 70% on the 5-question exam and completion of the activity evaluation. (CEI provides you with two (2) opportunities to complete the exam.) You may print this CE Statement of Credit; it will also be stored in your online CEI portfolio for you to retrieve a copy at any time.

Activity release date: September 10, 2009

Activity expiration date: September 10, 2012

The Collaborative Education Institute is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education. This is a knowledge-based CPE activity.
